

For this site to work correctly, for us to constantly improve it and to personalise your experience, we need to store small files (called cookies) on your computer. Almost every site in the world does this, the EU Directive 2009/136/EC requires us to get your permission first. If you click on `OK` below, we will store cookies (both our own and third parties') and you can continue using this site with full functionality. If you would like to, you can change your cookie settings at any time using your browser. For more information read our cookie policy.

COOKIES POLICY

AGS's website may use « cookies ». The information on cookies contained in this section is provided in accordance with the European Union legislation introduced in May 2011.

Cookies enable you to use the site in order to personalise your experience on this site.

What are cookies?

A cookie is a small file, typically of letters and numbers, downloaded on to a device, when the user accesses to certain websites. Cookies are sent back to originating website on each subsequent visit. They are stored in the computer's memory and hard drive and are enabled to function or to provide information to the owners of a website.

Why do we use cookies?

Cookies help AGS to provide customised services and information. AGS use cookies on the website to know, in general terms, how and when pages in the site are visited, what users technologies preferences are and whether the website is functioning properly.

When you are using our password-protected sites, then the website may use cookies in order to help us authenticate you, store and recognise your configuration and user attributes, facilitate your navigation of the website and customise its content so that the information made available is likely to be more interest to you.

Cookies used in our website

All cookies used in our website are peculiar to AGS.

This website only uses the following personalization cookies : CWSLanguage; ACOOKIE; WT_FPC; Youtube.

Retention period: cookies are deleted once the user logs out of site or closes the browser (no persistent cookies are used).

Possibility to oppose

Most internet browsers are initially set up to automatically accept cookies. You can change the settings within your browser to control or block the cookies that are set on your computer or mobile device. However, please be aware that cookies are important to many aspects for the site – if you set your browser to reject cookies, you may not be able to enjoy all of the features of the site. To find out how to see what cookies have been set and how to reject and delete cookies, please refer to your browser instructions or help screen to learn more about how to adjust or modify your browser settings, or you can visit the site : <http://www.aboutcookies.org>.
